| Same Day | 27 | 27 | 27 |
| Solo Service | 37 | 37 | 37 |

All colour applied to scalp require a skin test 48 hours before an appointment if you've never visited us before. All prices above are for colour service only and exclude any cutting or styling. This needs to be booked separately and all colour services must be added to bookings online first. If anything is booked before a colour this doesn't allow for processing time and may result in your booking being cancelled or rescheduled.
